## PET OF THE MONTH

*Buddy G. first came to our shop in October of 2008. He was a very sweet puppy, but did not like to be groomed at all!! He would attack his groomer, Melissa, during every process of the groom.*

*With Melissa's patience, calm energy and lots of TLC, she has transformed Buddy into one of the most well-behaved dogs on the table! His owner has even noticed his improved behavior at home!*

*Buddy has formed a special bond with Melissa and is a treat to have in the spa. It is success stories like Buddy's that make us want to come to work every day!!*
